Move-In & Move-Out Procedures

Due to upcoming construction at the Atlantic Union Bank Convention Center, all exhibitors are required to select a scheduled move-in time. This process will help keep traffic moving and allow exhibitors to access the loading area safely and efficiently.

Move-In

You must reserve a move-in time before arriving at the venue.

Please arrive during your scheduled time slot. Access to the loading area will only be granted during your assigned move-in window. If you arrive early or after your scheduled time, you may be turned away.

If you miss your scheduled move-in time, you will need to wait until space becomes available and all exhibitors with currently scheduled move-in times have been accommodated.

Move-Out

Move-out will be managed using Move-Out Passes.

At the close of the show, completely pack your booth before bringing your vehicle to the loading area. Once your booth is 100% packed and ready to load, visit the Information Booth to receive your Move-Out Pass.

A Move-Out Pass will only be issued after your booth has been completely packed. Once you receive your pass, you may retrieve your vehicle and proceed to the loading area as directed by show staff.

Following these procedures will help keep move-in and move-out organized, reduce congestion, and get everyone in and out of the venue as efficiently as possible.
